Dear Representative,

As a constituent in your district, I am urging you to support HB 6253 HA 1 'Medicaid for the Uninsured under the Affordable Care Act'.

In Illinois today, thousands of low-income adults without dependent children are not eligible for Medicaid. This major gap in healthcare coverage would be eliminated by HB 6253 under the ACA.

HB 6253 authorizes Illinois to take advantage of the ACA to provide Medicaid to about 342,000 low-income Illinois citizens who are currently uninsured.

In addition, this Medicaid option is expected to bring \$4.6 billion additional federal dollars into the state of Illinois just in the first three years, making it a great fiscal deal for Illinois!

Please support HB 6253 HA 1.

Thank you!
